2022 Hyundai Tucson Plug-In Hybrid

Experience the perfect blend of efficiency, innovation, and versatility with this 2022 Hyundai Tucson Plug-In Hybrid Ultimate AWD. With 63,500 kms, a one-owner history, and no accidents, this pre-owned SUV offers exceptional value for drivers looking to reduce fuel consumption without sacrificing performance or comfort. Its modern design and advanced hybrid technology make this used Hyundai Tucson an ideal choice for families and daily commuters alike.

Under the hood, a 1.6L turbocharged engine paired with an electric motor delivers impressive power and remarkable fuel efficiency, while the AWD system provides confident handling in all weather conditions. Inside, the Tucson Ultimate surrounds you with premium comfort, featuring heated and ventilated front seats, a panoramic sunroof, and a refined cabin loaded with technology. The dual 10.25-inch displays—including a digital cluster and touchscreen infotainment system with navigation, Apple CarPlay, and Android Auto—keep you seamlessly connected. Convenience is elevated with features like remote parking assist and a surround view monitor, making tight spaces easier to navigate.

Safety is front and center with advanced driver-assistance features including Highway Driving Assist, Forward Collision-Avoidance Assist, and rear parking sensors, providing added confidence on every journey.

This quality inspected vehicle has undergone a comprehensive professional inspection and reconditioning process at our Nissan dealership, ensuring it meets the highest standards for safety, reliability, and long-term ownership value. It's an excellent opportunity to own a technologically advanced, fuel-efficient SUV at an exceptional price point.
