2019 Toyota RAV4

2019 Toyota RAV4 Trail AWD

Adventure-ready capability meets everyday practicality in this 2019 Toyota RAV4 Trail AWD, a rugged and versatile SUV designed for drivers who want confidence both on and off the pavement. Powered by a responsive 2.5L 4-cylinder engine producing 203 horsepower and 184 lb-ft of torque, it's paired with an 8-speed automatic transmission and Toyota's advanced Dynamic Torque Vectoring All-Wheel Drive system for outstanding traction and control in a variety of driving conditions. With increased ground clearance and rugged styling, the RAV4 Trail is built to tackle weekend adventures while remaining comfortable for daily driving. The Trail trim adds a more aggressive appearance and enhanced capability, featuring unique alloy wheels, rugged exterior accents, raised roof rails, and Multi-Terrain Select drive modes for added confidence when the pavement ends. Inside, you'll find a well-appointed cabin with heated front seats, a heated steering wheel, dual-zone climate control, a power moonroof, Apple CarPlay compatibility, and Toyota Safety Sense 2.0 driver-assist technologies. Spacious seating, flexible cargo space, and Toyota's reputation for reliability make this RAV4 an excellent choice for active lifestyles. With its no reported accident history, this Trail AWD offers additional peace of mind and exceptional value.
