2020 Ford Explorer

The 2020 Ford Explorer ST takes the beloved family SUV and gives it a thrilling performance twist. With bold styling, premium comfort, and the kind of power that turns every drive into an experience, the Explorer ST is built for those who want more from their SUV.

Under the hood, it roars with a 3.0-litre twin-turbocharged EcoBoost V6 engine, producing an impressive 400 horsepower and 563 Nm of torque, paired with a 10-speed automatic transmission. With intelligent four-wheel drive, a sport-tuned suspension, and selectable drive modes, the Explorer ST delivers sharp handling and remarkable confidence whether you're cruising highways or tackling tough conditions.

The exterior makes its presence known with 20-inch aluminum wheels, unique ST badging, a blacked-out grille, and quad exhaust tips. Step inside and you'll find a cabin designed for both luxury and practicality, featuring leather-trimmed sport seats, heated and ventilated front seats, a heated steering wheel, and room for up to seven passengers with flexible cargo space.

Technology is state-of-the-art, including a 12.3-inch digital instrument cluster, a 10.1-inch touchscreen with SYNC® 3, Apple CarPlay® and Android Auto™, built-in navigation, and a premium Bang & Olufsen® sound system. Safety is top priority with Ford Co-Pilot360™ Assist+, which adds adaptive cruise control, lane-centering assist, blind-spot monitoring, and pre-collision assist with automatic emergency braking.

With exhilarating power, modern tech, and family-friendly versatility, the 2020 Ford Explorer ST is where performance meets practicality.
