2022 GMC Sierra 1500

Experience the power and versatility of the 2022 GMC Sierra 1500 Elevation, a rugged 4x4 crew cab truck designed for Canadian drivers who demand capability and comfort in every drive.

This Onyx Black Sierra 1500 features a turbocharged 4-cylinder engine that delivers impressive high-output performance while maintaining fuel efficiency, perfect for navigating both city streets and rugged terrain. The 4-wheel drive system combined with a locking limited-slip differential ensures confident handling in challenging weather and off-road conditions. Safety is paramount with advanced features like front collision mitigation, lane departure warning, and automatic high beams, providing peace of mind on every journey. The Elevation trim adds practicality with a short bed ideal for hauling gear, while the rear bench seat with pass-through enhances passenger comfort and cargo flexibility. Convenience is front and centre with remote engine start, keyless entry, and a back-up camera that simplifies parking and manoeuvring in tight spots. Stay connected on the go thanks to smart device integration, Bluetooth, WiFi hotspot, and satellite radio, keeping entertainment and communication at your fingertips. With aluminum wheels, fog lamps, and heated mirrors, this Sierra 1500 is built to handle Canadian winters and beyond with style and resilience. For those who value performance, safety, and modern technology in a capable pickup, this GMC Sierra 1500 Elevation is ready to meet every challenge.
