2023 Kia Soul

FREE DELIVERY IN NORTHERN AB/BC!

Modern style meets everyday practicality in the 2023 Kia Soul EX. With its bold, boxy design and confident stance, the Soul stands out in traffic while delivering smart space and impressive versatility in a compact footprint.

Inside, the Soul EX offers a bright and spacious cabin with excellent headroom and legroom for both front and rear passengers. Premium seating materials, a power adjustable driver's seat, and a clean, intuitive dashboard layout create a comfortable and driver focused environment. The wide rear hatch and low load floor make cargo access easy, and the rear seats fold flat to expand storage for groceries, gear, or weekend trips.

Under the hood, the efficient 2.0L 4 cylinder engine provides smooth, responsive performance paired with a CVT transmission. The ride is comfortable and composed, while light steering makes city driving and parking effortless. The compact size adds convenience without sacrificing interior space.

Technology is front and center. A large touchscreen infotainment system supports Apple CarPlay and Android Auto, keeping navigation, music, and hands free communication within easy reach. A digital driver display provides clear vehicle information, and multiple USB ports ensure devices stay charged on the go.

Safety features come standard to enhance confidence behind the wheel. Forward Collision Avoidance, Lane Keeping Assist, Blind Spot Monitoring, Rear Cross Traffic Alert, and a rear view camera work together to support awareness in busy traffic and tight parking areas.

Stylish, efficient, and surprisingly spacious, the 2023 Kia Soul EX delivers versatility and modern features in a fun to drive compact crossover. Book your test drive with Bannister GP Kia today!
