Certification Program Details:

This vehicle is part of our AS-TRADED inventory. Instead of sending this recent trade-in to a dealer auction, we are offering it to our retail customers first. This is a unique opportunity to purchase a vehicle exactly as it arrived.

The Wholesale Advantage:

- * Unbeatable Pricing: Priced 30-50% below typical market value because we have not added any reconditioning costs.
- * Raw & Uninspected: We have not performed a mechanical inspection. You are purchasing the vehicle in its original, untouched condition.
- * Mechanic's Special: Ideal for DIY buyers or those with their own service connections who want to handle the work themselves.
- * Direct Access: You get the first opportunity to buy this local trade-in before it is offered to wholesalers.
