2024 Kia Niro EV

The 2024 Kia Niro EV Wave in pristine Snow White Pearl is a true showcase of where innovation, luxury, and sustainability intersect. With just under 12,000 kilometers on the odometer, this nearly-new electric crossover offers a remarkable opportunity for drivers looking to embrace the EV lifestyle with confidence and sophistication. As Kia's top-tier Niro EV trim, the Wave brings together exceptional all-electric range, cutting-edge technology, and premium comfort in one versatile and sleek package. Paired with Kia's renowned 8-year/160,000-kilometer high-voltage battery warranty, this Niro isn't just ready for your next chapter—it's built for the future.

Beneath its sculpted exterior, the 2024 Niro EV Wave is powered by a refined 64.8-kWh lithium-ion battery and a 201-horsepower permanent magnet electric motor. Together, they deliver swift, seamless acceleration, all while maintaining a whisper-quiet ride. Instant torque gives you the power to zip through city streets or cruise confidently on the highway with zero tailpipe emissions. With an impressive electric range on a single charge, this EV is built to handle everything from daily commutes to weekend getaways without range anxiety. And when it's time to recharge, DC fast charging capability allows you to go from 10% to 80% in under 45 minutes, keeping you on the move with minimal downtime.

The interior of the Niro EV Wave is a masterclass in modern luxury and function. Its sleek, high-tech cabin welcomes you with soft-touch materials, bold design lines, and thoughtful details. With spacious seating for five and a quiet, well-insulated cabin, comfort is front and center. The vegan leather seats are both heated and ventilated up front, while the rear outboard seats offer heating as well—ensuring all passengers enjoy comfort year-round. The heated steering wheel, power driver seat with memory function, and dual-zone automatic climate control further elevate the daily driving experience. The flexible cargo area—expandable thanks to 60/40 split-folding rear seats—makes room for luggage, sports equipment, strollers, or groceries with ease. Roof rack compatibility expands your options for bikes, skis, or rooftop carriers, adding versatility for road trips or outdoor adventures.

Technology takes center stage in the Niro EV Wave. The dual 10.25-inch displays—one for the digital instrument cluster and one for the infotainment interface—create a wide, modern dash that's as visually stunning as it is functional. Wireless Apple CarPlay and Android Auto come standard, letting you access music, navigation, calls, and messages effortlessly. Kia Connect (formerly UVO) brings remote control to your fingertips, allowing you to start climate pre-conditioning, monitor charge status, or
