2023 Kia Sportage

The 2023 Kia Sportage LX is a bold, capable compact SUV that blends everyday practicality with modern style and smart technology. Redesigned for this generation, the Sportage LX delivers impressive space, comfort, and features—at a price that makes sense.

Under the hood, it’s powered by a 2.5-litre 4-cylinder engine producing 187 horsepower, paired with an 8-speed automatic transmission and available all-wheel drive. The result is a smooth, confident drive whether you’re navigating city streets or braving Canadian winters—while keeping fuel economy strong at just 8.4L /100 km combined.

Step inside, and you’ll be greeted by a clean, spacious interior with comfortable cloth seating, heated front seats, a large digital driver display, and automatic climate control. With best-in-class rear legroom and generous cargo space, the Sportage LX is built to handle everything from daily errands to weekend adventures with ease.

Technology comes standard with an 8-inch touchscreen, Apple CarPlay®, Android Auto™, Bluetooth®, and multiple USB ports—making it easy to stay connected on the go. Remote keyless entry, push-button start, and a rearview camera round out the convenience package.

Kia’s Drive Wise safety suite is also included, offering forward collision avoidance, lane keeping assist, driver attention warning, and rear occupant alert—smart protection for modern drivers.

Stylish, spacious, and loaded with value, the 2023 Kia Sportage LX proves that practicality doesn’t have to be boring.
