## 2023 GMC Sierra 3500HD

Command every job site and trail with the 2023 GMC Sierra 3500HD AT4 Crew Cab 4x4, featuring a powerful Duramax diesel engine and rugged off-road capability.

Built for drivers who demand strength and reliability, this Sierra 3500HD AT4 is powered by a Duramax 6.6L Turbo-Diesel V8 engine delivering an impressive 445 horsepower and a massive 910 lb-ft of torque. Whether towing heavy loads or navigating tough terrain, the locking limited-slip differential and 4x4 drivetrain ensure maximum traction and control. The integrated tailgate step and bed liner make loading and unloading tools or gear effortless, while the all-terrain tires and running boards provide confidence and convenience on any surface.

Inside, the leather-appointed cabin offers heated front and rear seats with adjustable lumbar support and memory settings, ensuring comfort during long hauls or daily drives. Advanced safety features like stability control, multiple airbags, and integrated turn signal mirrors provide peace of mind, while the back-up camera and remote engine start add practical convenience.

Finished in striking Pacific Blue Metallic, this used Sierra 3500HD AT4 combines rugged capability with refined touches, making it the ideal choice for professionals and enthusiasts who need a dependable, powerful truck that works as hard as they do.
