2016 Toyota Sienna

Practical, spacious, and built for busy families, the 2016 Toyota Sienna LE delivers dependable performance with the flexibility you need every day. Its clean exterior styling, wide stance, and large sliding doors make it easy to load passengers and cargo with minimal effort.

Inside, the Sienna LE offers a roomy and thoughtfully designed cabin with seating for up to eight passengers. Comfortable cloth seating, tri zone automatic climate control, and a power adjustable driver's seat create a relaxed driving environment. The second and third rows provide generous legroom, making long trips comfortable for both kids and adults. When extra cargo space is needed, the rear seats fold to open up a wide, usable load area for groceries, luggage, or sports equipment.

Under the hood, a reliable 3.5L V6 engine delivers 266 horsepower paired with a smooth 6 speed automatic transmission. Acceleration is confident, and the ride remains quiet and composed whether navigating city streets or cruising on the highway.

Technology and convenience features keep everyone connected. Bluetooth hands free calling, steering wheel mounted controls, and multiple storage compartments throughout the cabin make daily driving simple and organized.

Safety features help provide peace of mind. Stability control, traction control, multiple airbags, anti lock brakes, and a rear view camera work together to support driver confidence in a variety of conditions.

Spacious, reliable, and designed with families in mind, the 2016 Toyota Sienna LE offers the versatility and comfort that make everyday life easier. Book your test drive with Bannister GP Honda today!
