2024 Chevrolet Silverado 2500HD

Experience the rugged capability and refined comfort of the 2024 Chevrolet Silverado 2500HD ZR2 in striking Lakeshore Blue Metallic, built for those who demand power and precision on every terrain.

This diesel-powered 8-cylinder powerhouse with a 10-speed automatic transmission and advanced 4x4 drivetrain delivers exceptional torque and towing strength, ideal for heavy-duty work or weekend adventures. The ZR2 trim enhances off-road prowess with specialized front and rear off-road tires, locking limited-slip differential, and robust suspension, ensuring confidence on challenging trails or job sites. Inside, the crew cab offers premium leather seating with heated and cooled front seats, heated rear seats, and adjustable lumbar support for both driver and passenger, combined with seat memory for personalized comfort. Advanced safety technologies like blind spot monitoring, lane departure warning, front collision mitigation, and cross-traffic alert provide peace of mind on busy highways and rugged backroads alike. The Aerial View Display System and rear parking aid simplify manoeuvring this capable truck in tight spaces. Additional conveniences include remote engine start, power folding mirrors with memory, and a premium sound system with smart device integration, making every drive productive and enjoyable. Whether hauling heavy loads or exploring off the beaten path, this Silverado 2500HD ZR2 is engineered to meet the demands of Canadian drivers who require strength, technology, and comfort in one commanding package.
