2021 GMC Sierra 1500

Experience commanding performance and rugged versatility with the 2021 GMC Sierra 1500 Elevation 4WD Extended Cab, finished in striking Ebony Twilight Metallic.

Built for those who demand strength and reliability, this diesel-powered Sierra 1500 features a turbocharged straight 6-cylinder engine paired with an 8-speed electronically controlled automatic transmission, delivering impressive torque and fuel efficiency for both work and weekend adventures. Its 4x4 drivetrain and locking limited-slip differential ensure confident handling across challenging terrains and weather conditions, making it ideal for Canadian roads year-round.

Inside, the cabin balances comfort and functionality with heated front seats, a power-adjustable driver seat with lumbar support, and a heated leather-wrapped steering wheel, keeping you comfortable during long hauls or chilly mornings. The multi-zone climate control and privacy glass enhance the driving experience, while smart device integration, Bluetooth connectivity, and a WiFi hotspot keep you connected on the go.

Safety is paramount, with stability and traction control, multiple airbags, and a backup camera providing peace of mind. Practical features like tow hooks, a tow hitch, fog lamps, and aluminum wheels underscore its readiness for heavy-duty tasks. The Sierra 1500 Elevation is a dependable partner for those who need a capable truck that works as hard as they do.
