2024 Chevrolet Silverado 1500 RST | Duramax Diesel | Low KM | Bold Style & Capability

Take on work and play with confidence in this pre-owned 2024 Chevrolet Silverado 1500 RST. With just 31,268 kms, no accident history, and GM Certified Pre-Owned rates available, this used Silverado delivers outstanding value, modern technology, and the proven durability truck buyers demand. Finished with body-coloured accents, a blacked-out grille, and 20-inch high-gloss black wheels, it brings a clean, aggressive look to the road.

Under the hood, the efficient 3.0L Duramax turbo-diesel engine offers impressive torque and fuel economy, making it ideal for towing, hauling, or long-distance driving. The Silverado's refined ride and confident handling make it equally comfortable on the highway or job site. Inside, the spacious cabin is built for both comfort and productivity, featuring heated front seats and a heated steering wheel to keep you comfortable year-round.

Technology is front and center with a 13.4-inch touchscreen infotainment system featuring built-in Google, along with Apple CarPlay and Android Auto for seamless connectivity. The 12.3-inch digital driver information center keeps key vehicle data clearly in view, while remote engine start, satellite radio, and intuitive controls make every drive more convenient.

Safety is well covered with advanced features including automatic emergency braking, lane keep assist, following distance indicator, and a rear-view camera—helping you stay aware and protected on the road.

This quality inspected vehicle has undergone a comprehensive professional inspection and reconditioning process at our GM dealership, ensuring it meets high standards for performance, reliability, and long-term ownership value.
