2024 Chevrolet Colorado Trail Boss 4WD | One Owner | No Accidents | GM Certified

Rugged, modern, and built to handle both work and weekend adventure, this pre-owned 2024 Chevrolet Colorado Trail Boss delivers serious capability in a mid-size pickup package. With just 28,735 kms, a one-owner history, no accidents, and GM Certified Pre-Owned rates available, this used Colorado offers outstanding value backed by added confidence and factory-level assurance.

Powered by the proven 2.7L TurboMax engine, this Trail Boss delivers strong low-end torque and confident performance whether you're towing, hauling, or heading off the beaten path. The 4WD system, factory 2-inch lift, all-terrain tires, and auto-locking rear differential give it the capability you need when the road ends. Trail Boss styling details like black recovery hooks, flared fenders, black bowtie emblems, and exclusive badging add to its bold, aggressive look.

Inside, you'll find a refined and functional cabin designed for modern convenience. The 11.3-inch touchscreen with built-in Google integration, wireless Apple CarPlay and Android Auto, and USB connectivity keep you seamlessly connected. A digital driver information center and push-button start add everyday convenience, while Chevy Safety Assist provides added peace of mind with essential driver-assist technologies.

This quality inspected vehicle has undergone a thorough inspection and reconditioning process at a GM dealership, ensuring it meets high standards for reliability, safety, and long-term durability.

If you're looking for a capable, tech-forward, and versatile used truck that's ready for anything, this Colorado Trail Boss is built to deliver. Contact us today to book your test drive!
