2022 GMC Sierra 3500HD

Experience heavy-duty capability without sacrificing luxury in this 2022 GMC Sierra 3500HD Denali 4WD Crew Cab Long Box, with 118,015 km on the odometer.

Built to handle the toughest jobs while keeping you surrounded in premium comfort, this Denali stands at the top of the Sierra lineup. Under the hood, you'll find a powerful and proven engine paired with a smooth-shifting transmission, delivering exceptional towing and hauling capability—perfect for work sites, trailers, or long-distance hauling.

On the outside, the Denali makes a bold statement with its signature chrome grille, LED lighting, and commanding presence. The Long Box configuration provides maximum cargo space, giving you the room you need for tools, equipment, or anything the job demands.

Step inside the spacious Crew Cab and you're greeted with a refined interior loaded with upscale features. Premium leather-appointed seating, heated and ventilated front seats, a heated steering wheel, and dual-zone climate control ensure comfort in every season. The large touchscreen infotainment system offers seamless connectivity with Apple CarPlay, Android Auto, navigation, Bluetooth, and a premium Bose sound system for an elevated driving experience.

This Sierra 3500HD Denali is also equipped with advanced technology designed to make towing and driving easier, including a multi-view camera system, trailer assist features, parking sensors, lane departure warning, forward collision alert, and more—giving you added confidence whether you're on the highway or backing into tight spaces.

With its combination of rugged durability, cutting-edge technology, and premium finishes, this truck is built to exceed expectations in every way.

If you're looking for serious capability paired with top-tier luxury, this 2022 GMC Sierra 3500HD Denali is ready to deliver. Don't miss your opportunity—come see it today!
