2024 Cadillac LYRIQ

*GM CERTIFIED PRE-OWNED RATES @ 4.99% O.A.C

This 2024 Cadillac Lyriq Sport with the 1SK package arrives in a refined gray finish, giving it a sophisticated yet modern edge that perfectly complements its futuristic design. The Sport trim enhances the Lyriq’s sculpted presence with bold blacked-out accents, an aggressive front fascia, and sleek detailing that set it apart as a performance-inspired expression of Cadillac’s luxury EV vision. With just under 1,000 km on the odometer, this Lyriq is virtually brand new, offering the rare chance to own one of the most advanced electric SUVs on the market today while enjoying the full balance of Cadillac’s 4-year/80,000 km new vehicle warranty.

Built on the revolutionary Ultium battery platform, the Lyriq Sport with the 1SK package delivers an electric driving experience that feels effortless yet exhilarating. Its rear-wheel-drive configuration produces 340 horsepower and 325 lb-ft of torque, giving you immediate and confident acceleration without the lag of a traditional drivetrain. The smooth, quiet ride is balanced with dynamic handling, making every drive both relaxing and engaging. With an estimated range of up to 502 km on a full charge, this Lyriq allows you to travel further with confidence, whether you’re navigating busy city streets or setting out for a long-distance trip. Fast-charging capability further ensures convenience, minimizing downtime and maximizing time spent on the road.

Step inside the cabin and you’re welcomed into a space where luxury and technology converge. The 1SK package adds premium upgrades and thoughtful details that elevate the Sport trim even further. The centerpiece is Cadillac’s striking 33-inch curved LED display that integrates the driver’s instrument cluster and infotainment system into one seamless interface. Powered by Google Built-In, it provides access to Google Assistant, Google Maps, and Google Play directly from the dash, while wireless Apple CarPlay and Android Auto make it effortless to bring your personal ecosystem along for the ride. The AKG Studio 19-speaker surround sound system immerses every passenger in a world of rich, detailed audio, transforming your favorite music and media into a true luxury listening experience.

Comfort and design are equally prioritized. Heated and power-adjustable front seats with memory settings, dual-zone climate control, a panoramic fixed-glass roof, and
