### \*GM CERTIFIED PRE-OWNED RATES @ 0.99% O.A.C

2021 Chevrolet Bolt EV LT | No Accidents | All-Electric Efficiency

Efficient, practical, and surprisingly fun to drive, this pre-owned 2021 Chevrolet Bolt EV LT is an excellent choice for drivers looking to make the switch to all-electric. With 120,779 kms and a clean, accident-free history, this used Bolt EV delivers outstanding value while helping you save on fuel and maintenance costs.

Powered by a 66-kWh battery, the Bolt EV offers smooth, instant acceleration and a quiet driving experience that's perfect for both city commuting and daily errands. With zero tailpipe emissions and impressive range capability, it's a smart, eco-conscious option that doesn't compromise on performance. Its compact size makes it easy to maneuver and park, while the spacious interior provides ample headroom and cargo flexibility for everyday practicality.

Inside, you'll find a user-friendly 10.2-inch touchscreen infotainment system with Apple CarPlay and Android Auto, keeping you connected wherever you go. Additional features like available wireless charging, 4G LTE Wi-Fi capability, and a 6-speaker audio system enhance convenience and entertainment. Comfort is well addressed with cloth seating, automatic climate control, and a tilt and telescoping steering wheel for a personalized driving position.

Safety is also a priority, with a rear-view camera, Teen Driver technology, and keyless entry with push-button start adding confidence and ease to your daily routine.

This quality inspected vehicle has undergone a thorough professional inspection and reconditioning process at our GM dealership, ensuring it meets high standards for reliability, safety, and long-term ownership peace of mind.

If you're looking for a reliable, efficient, and affordable pre-owned electric vehicle, this Chevrolet Bolt EV LT is ready to go. Contact us today to schedule your test drive!
