## 2026 Kia Sorento Plug-In Hybrid

Take a look at our 2026 Kia Sorento Hybrid LX AWD, which rewards you with a bold design and efficient performance in Volcanic Sand! Motivated by a TurboCharged 1.6 Litre 4 Cylinder and an Electric Motor offering a combined 227hp to a 6 Speed Automatic transmission with Kia's Drive Mode Select. A smart choice for better travel, this All Wheel Drive SUV sees approximately 6.9L/100km on the highway and in the city. A muscular design grabs attention as our Sorento Hybrid shows off its LED lighting, fog lamps, hands-free liftgate, roof rails, matte-black body cladding, alloy wheels, and matching trim.

Our LX cabin blends comfort, convenience, and intuitive technology with heated SynTex power front seats, second-row captain's chairs, a folding third row, a leather-wrapped steering wheel, and dual-zone automatic climate control. WiFi compatibility, wireless Apple CarPlay®/Android Auto®, and Bluetooth® help you connect as you enjoy a 12.3-inch touchscreen, full-color navigation, wireless charging, and six-speaker audio.

Kia focuses on family-friendly safety with Highway Driving Assist, automatic braking, adaptive cruise control, lane-keeping assistance, blind-spot monitoring, forward collision warning, pedestrian detection, driver attention monitor, rearview camera, a rear-seat reminder, and more. Our Sorento Hybrid LX is ready for real-world success, thanks to features like these! Save this Page and Call for Availability. We Know You Will Enjoy Your Test Drive Towards Ownership!

### OPTIONS

- ✓ Air Conditioning
