2025 Chevrolet Trax

This 2025 Chevrolet Trax LT delivers modern design, smart technology, and impressive everyday efficiency in a compact SUV that's built for today's driver. With its fuel-efficient turbocharged engine and smooth 6-speed automatic transmission, this used Trax offers an easy, comfortable drive that's ideal for city commuting, new drivers, or anyone looking for practical versatility at a great value. Its sleek styling is matched with LED headlights, daytime running lights, and 17-inch wheels that give it a confident road presence.

Inside, the Trax LT is designed with comfort and connectivity in mind. The cabin features durable cloth and Evotex seating materials, automatic climate control, push-button start, and a multi-function steering wheel for added convenience. Technology is a standout with an 11-inch HD touchscreen featuring wireless Apple CarPlay and Android Auto, keeping navigation, music, and apps seamlessly integrated. Active noise cancellation helps create a quieter, more refined driving experience, while smart storage solutions make daily errands and weekend trips more practical.

Safety is also a priority, with Chevy Safety Assist providing confidence on every drive. Features such as Forward Collision Alert, Lane Keep Assist, Lane Departure Warning, IntelliBeam automatic high beams, and a Rear Vision Camera work together to help support awareness and control in a variety of driving conditions.

This quality inspected vehicle has undergone a professional inspection and reconditioning process at our Nissan dealership, ensuring it meets high standards for safety, reliability, and long-term ownership value.

If you're looking for a pre-owned Chevrolet Trax that blends efficiency, modern tech, and everyday practicality, this SUV is an excellent choice. Contact us today to schedule your test drive.
