2022 Ford Maverick

The **2022 Ford Maverick XLT SuperCrew** is a versatile and fuel-efficient compact pickup designed to handle both everyday driving and light-duty work with ease. With **61,738 km**, this Maverick offers a great balance of reliability, capability, and modern features in a practical, easy-to-drive package.

Powered by an efficient 4-cylinder engine—available in hybrid or EcoBoost configurations—this truck delivers impressive fuel economy while still offering solid performance for hauling and commuting. With a payload capacity of up to **1,500 lbs** and available towing up to **4,000 lbs**, it's ready for weekend projects or outdoor adventures.

Inside, the SuperCrew cabin comfortably seats five passengers and features durable premium cloth seating, an intuitive **8-inch touchscreen**, Apple CarPlay and Android Auto compatibility, and a user-friendly layout designed for convenience and connectivity.

The Maverick's innovative **FLEXBED™ system** and **4.5-foot box** provide smart storage solutions with multiple tie-downs and customization options, making it perfect for tools, gear, or DIY setups. Its compact size also makes it easy to maneuver in the city while still offering the utility of a pickup.

On the outside, the XLT trim adds stylish alloy wheels, upgraded exterior accents, and a bold yet practical design that stands out from traditional trucks. Safety features like pre-collision assist, a rearview camera, and stability control help give you added confidence on the road.

Whether you're looking for a fuel-efficient daily driver or a capable compact truck for work and play, this 2022 Ford Maverick XLT SuperCrew is a smart and dependable choice.
