Experience bold design, advanced technology, and family-ready versatility in this 2026 Chevrolet Traverse RS AWD. With just 12,222 kms, this pre-owned SUV delivers near-new condition with striking black-on-black styling, enhanced by 22-inch gloss black wheels and distinctive RS design elements. It's a standout choice for drivers seeking a stylish, capable, and practical three-row SUV.

Under the hood, the 2.5L turbocharged engine provides a strong balance of performance and fuel efficiency, while the AWD system ensures confident traction in all road conditions. Inside, the Traverse RS offers a refined and sporty cabin, featuring leather-appointed seating with red accents, embroidered RS logos, and eye-catching red stitching throughout. Heated front seats and a heated steering wheel add comfort during colder months, while second-row captain's chairs make access to the third row easy, providing comfortable seating for up to seven passengers.

Technology is front and center with a massive 17.7-inch infotainment display, complete with Apple CarPlay and Android Auto integration, keeping you connected on every drive. Safety is equally impressive, with Chevy Safety Assist offering advanced features like forward collision alert, automatic emergency braking, lane keep assist, and more. A 360-degree camera system and parking sensors further enhance visibility and confidence in tight spaces.

This quality inspected vehicle has undergone a comprehensive professional inspection and reconditioning process at an GM dealership, ensuring top-tier standards for reliability and peace of mind.

Don't miss your chance to own this bold and well-equipped used Chevrolet Traverse RS AWD. Contact us today to schedule your test drive and see it in action.
