2025 Nissan Sentra

Meet the 2025 Nissan Sentra SV, a modern compact sedan that blends efficiency, comfort, and everyday practicality in a sleek and stylish package. With only 12,930 kms, this low-mileage used Sentra stands out as a smart choice for commuters and first-time buyers alike, offering excellent value, refined design, and the confidence of Nissan's latest engineering. Finished in a striking blue exterior with a clean black interior, it delivers a polished look that fits right in at work, on the highway, or around town.

Powered by a fuel-efficient 2.0L engine paired with a smooth CVT transmission, the Sentra SV is designed to keep fuel costs low while delivering a composed and comfortable driving experience. Whether you're navigating city streets or cruising the highway, you can expect impressive fuel economy, responsive handling, and a quiet, confident ride. Inside, you'll find premium cloth seating, a 7-inch driver information display, heated front seats, and thoughtful touches like keyless entry with push-button start and remote start for added convenience.

Technology is another highlight, with Apple CarPlay, Android Auto, Bluetooth connectivity, and Nissan Safety Shield providing peace of mind through advanced driver-assist features. A chrome V-motion grille and 16-inch alloy wheels add a refined yet sporty touch to its exterior styling.

This quality inspected vehicle has undergone a full professional inspection and reconditioning process at our GM dealership, ensuring it meets strict standards for safety, performance, and reliability—giving you confidence with every drive.

If you're looking for a dependable pre-owned sedan that's efficient, modern, and well-equipped, this 2025 Nissan Sentra SV is an excellent fit. Contact us today to schedule your test drive.
