2025 Hyundai Tucson

Experience refined versatility with the 2025 Hyundai Tucson Preferred in Crystal White, designed for Canadian drivers seeking comfort, safety, and advanced technology in every journey.

This AWD SUV blends efficiency and performance through its responsive 4-cylinder engine paired with an 8-speed automatic transmission featuring dual shift mode, offering smooth handling on diverse road conditions. Inside, premium synthetic seats with heated front options and a power-adjustable driver seat with lumbar support ensure comfort during long drives or daily commutes. The panoramic sunroof invites natural light, creating an airy cabin atmosphere that enhances every trip.

Safety is paramount with a comprehensive suite including Blind Spot Monitor, Lane Keeping Assist, Front and Rear Collision Mitigation, and Cross-Traffic Alert, providing peace of mind on busy city streets or snowy highways. The driver monitoring system and adaptive cruise control further contribute to a confident driving experience.

Connectivity and convenience are seamlessly integrated with smart device compatibility, Bluetooth, a hands-free power liftgate, and remote engine start, perfect for Canadian winters. Aluminum wheels and LED headlights add a touch of style and functionality, while the rear spoiler enhances aerodynamics. The Tucson Preferred is a well-rounded SUV tailored to meet the needs of discerning drivers who value innovation, safety, and comfort.
