2026 Ford E-Transit Cargo Van

Experience the ultimate workhorse with the 2026 Ford E-Transit Cargo Van. Featuring a brilliant white exterior, this T-350 148" EL Hi Rf 9500 GVWR model with reliable RWD handling is unmatched in its class.

The powerful design, combined with practical features such as air conditioning, make it a top choice for any commercial needs. The van's refined black interior offers a professional appearance, enhanced by heated front seats that ensure comfort at all temperatures. The spacious interior of the cargo van provides ample room for any kind of load, crafted to meet all your business demands.

Equipped with state-of-the-art technology, including a backup camera, smart device integration, and a digital rear view mirror, staying connected and alert has never been easier. Safety features like lane assist, parking sensors, and brake assist offer peace of mind on every journey. Plus, the Pro Power Onboard - 2.4KW feature and a convenient wi-fi hotspot keep you and your devices powered wherever you go.

This robust van is ideal for businesses large and small, catering to those who need reliable performance and modern convenience in one package. Contact us today to learn more about how the Ford E-Transit can be the perfect fit for your enterprise.
