2014 GMC Sierra 1500

Experience the rugged capability and refined comfort of the 2014 GMC Sierra 1500 SLT Crew Cab 4WD, designed for drivers who demand power and versatility in every journey.

This Sierra 1500 SLT combines a robust 8-cylinder engine with a 6-speed electronically controlled automatic transmission, delivering confident performance whether towing heavy loads or navigating challenging terrain. The 4x4 drivetrain and locking limited-slip differential ensure superior traction and control in all weather conditions, making it ideal for both work sites and weekend adventures. Inside, premium leather seats with heating and power adjustments, along with seat memory, provide personalized comfort for driver and front passenger. The crew cab design offers ample space with a pass-through rear seat, perfect for passengers or extra cargo. Advanced safety features like integrated turn signal mirrors, multiple airbags, stability and traction control, plus tow hooks, enhance security and peace of mind on every drive. Convenience is elevated with remote engine start, keyless entry, and a multi-zone climate control system, while the back-up camera and navigation from telematics make manoeuvring and route planning effortless. Finished in striking Iridium Metallic, this Sierra 1500 SLT not only performs but stands out with confidence and style.
