2024 Nissan Pathfinder

The 2024 Nissan Pathfinder SV 4WD is the perfect blend of rugged capability, modern comfort, and advanced technology—crafted to meet the needs of families, adventurers, and anyone who demands more from their SUV. With its bold, athletic exterior styling, the Pathfinder makes an immediate impression. From its sculpted body lines to its confident stance, this SUV projects strength and refinement in equal measure, ensuring it looks just as at home in the city as it does on the open road or a weekend escape.

Step inside, and you'll immediately notice the Pathfinder's thoughtfully designed interior. The spacious cabin offers seating for up to seven passengers, with premium materials and intuitive layout that make every drive more enjoyable. Tri-zone automatic climate control keeps everyone comfortable, while features like the power-adjustable driver's seat and heated front seats add an extra layer of convenience for daily commutes or long road trips. With its versatile seating configurations and generous cargo space, the Pathfinder adapts easily to your lifestyle, whether you're loading up sports gear, luggage, or groceries.

Technology takes center stage in the 2024 Pathfinder SV. The intuitive NissanConnect® system with a large touchscreen display provides seamless access to navigation, music, and apps, all enhanced by Apple CarPlay® and Android Auto™ integration. Multiple USB ports keep devices charged for everyone on board, and available Wi-Fi ensures connectivity no matter where the road leads. These features work together to make every journey not just more convenient, but also more enjoyable.

Performance is where the Pathfinder truly shines. Equipped with a powerful V6 engine and intelligent 4WD system, it delivers confident acceleration, smooth highway cruising, and sure-footed handling in all kinds of conditions. Whether you're tackling winter roads, venturing off the beaten path, or towing with ease, the Pathfinder offers the capability and confidence you need. At the same time, its well-engineered drivetrain provides impressive fuel efficiency for its class, helping you save at the pump without sacrificing power.

Safety is always a top priority, and the 2024 Pathfinder SV offers peace of mind with Nissan Safety Shield® 360. This suite of advanced driver-assistance features includes Automatic Emergency Braking with Pedestrian Detection, Blind Spot Warning, Rear Cross Traffic Alert, Lane Departure Warning, and more. Combined with a strong
