Sporty styling, impressive fuel efficiency, and modern technology come together in this 2025 Chevrolet Trax 1RS. With its bold red exterior, black interior, and athletic RS-inspired design elements, this compact SUV stands out from the crowd while offering the practicality and affordability today's drivers are looking for. Powered by an efficient 1.2L 3-cylinder engine and front-wheel drive, this pre-owned Chevy Trax is ideal for commuters, first-time buyers, and anyone seeking a versatile urban SUV with low operating costs and confident everyday performance.

The 1RS trim adds sporty character with 18-inch black-painted wheels, RS-specific badging and grille accents, and sleek LED headlights with daytime running lights that give the Trax a sharp, modern appearance. Inside, the cabin features comfortable leatherette seating with exclusive red interior accents and stitching, creating a stylish atmosphere that feels both modern and refined. The thoughtfully designed interior also offers practical comfort and excellent visibility, making every drive more enjoyable.

Technology is front and center with an easy-to-use 8-inch touchscreen featuring Apple CarPlay and Android Auto compatibility, allowing seamless access to navigation, music, calls, and apps. Manual climate control and user-friendly controls keep the cabin comfortable and convenient, while Chevrolet Safety Assist adds valuable peace of mind with advanced driver-assist features designed to help enhance awareness and confidence on the road.

This quality inspected vehicle has undergone a professional GM dealership inspection and reconditioning process to ensure it meets high standards for reliability, safety, and performance. With only 13,798 kms, this used Chevrolet Trax 1RS delivers outstanding value and modern SUV practicality in a stylish package.
