2025 Chevrolet Trax

Step into modern practicality and everyday value with this 2025 Chevrolet Trax LT, a stylish and efficient compact SUV designed for today's driver. With just 34,283 kms, this pre-owned Trax delivers a like-new driving experience while offering outstanding affordability. Its sleek design, LED lighting, and confident stance make it a great choice for commuters, first-time buyers, or anyone looking for a versatile and fuel-efficient SUV.

Under the hood, the responsive 1.2L turbocharged 3-cylinder engine paired with a smooth 6-speed automatic transmission provides excellent fuel economy without sacrificing performance. Inside, you'll find a thoughtfully designed cabin featuring heated front seats, automatic climate control, and a spacious layout that maximizes comfort for both driver and passengers. The impressive 11-inch touchscreen with Apple CarPlay and Android Auto keeps you connected on the go, while the 8-inch driver information center and 6-speaker audio system enhance your daily drive. Safety is a priority with Chevy Safety Assist, offering advanced driver assistance features and a rearview camera for added confidence.

This quality inspected vehicle has undergone a thorough professional inspection and reconditioning process at our Kia dealership, ensuring it meets the highest standards for reliability and long-term ownership peace of mind.

If you're looking for a used Chevrolet Trax that combines modern technology, safety, and value, this one checks all the boxes. Contact us today to schedule your test drive and experience it for yourself.
