2021 BMW X3

The 2021 BMW X3 xDrive30i in crisp white is the perfect balance of sophistication, performance, and everyday practicality. With just over 99,000 km, this luxury SUV has been well cared for and is ready to deliver many more years of refined driving. Its exterior styling is unmistakably BMW—sleek lines, a bold kidney grille, and athletic proportions that project confidence and class from every angle. The white finish enhances its premium look, while the xDrive all-wheel-drive system ensures that beauty is matched with all-weather capability.

Step inside and you'll find a cabin that combines comfort and technology in a way only BMW can. High-quality materials, meticulous attention to detail, and an intuitive layout create a space that feels both modern and inviting. Supportive seats make long drives effortless, while generous interior dimensions ensure that passengers in every seat enjoy the ride. Technology is abundant, with BMW's iDrive infotainment system, a crystal-clear display, seamless smartphone integration, and advanced convenience features designed to make every journey more enjoyable and connected.

Performance is at the heart of the X3 experience, and the xDrive30i delivers with its responsive 2.0L turbocharged engine. Offering an excellent blend of power and efficiency, it provides confident acceleration when you need it, yet maintains commendable fuel economy for its class. BMW's xDrive all-wheel-drive system constantly adapts to road conditions, giving you maximum grip and control whether you're navigating city streets, highways, or unpredictable weather. Paired with the brand's hallmark driving dynamics, this X3 proves that practicality and excitement don't have to be mutually exclusive.

Safety and peace of mind are also central to the X3's appeal. Equipped with advanced driver-assistance features, including stability control, multiple airbags, and available driver aids, it's designed to keep you and your passengers protected. With a reputation for strong reliability and the proven durability of BMW engineering, this vehicle is a smart long-term investment. The mileage is a testament to its reliability, showing that it's been enjoyed but still has plenty of life left to give.

Compared to its competitors, the 2021 BMW X3 stands out for its perfect blend of luxury, performance, and practicality. Where some rivals focus solely on utility or sport, the X3 strikes the ideal balance, making it a versatile choice for professionals, families, or anyone who wants a premium driving experience without compromise.
