## 2026 Ford F-150

Designed to make a lasting impression, our 2026 Ford F-150 Tremor SuperCrew 4X4 in Agate Black Metallic pairs powerful performance with off-road suspension tuning and confident capability. Powered by a Twin-TurboCharged 3.5 Litre EcoBoost V6 offering 400hp for a 10 Speed Automatic transmission. This Four Wheel Drive truck loves leaving the pavement behind with a Tremor-tuned suspension, Trail Control, and a raised ride height, and it scores approximately 11.2L/100km on the highway. Rugged and ready for action, our Ford F-150 features LED lighting, robust skid plates, Tremor running boards, dual-outlet exhaust, a twin-panel sunroof, alloy wheels, a spray-on bedliner, wheel well liners, an onboard generator, and bold graphics. Our Tremor cabin helps you command your days with sport-cloth front seats, a multifunction steering wheel, air conditioning, power-adjustable pedals, overhead upfitter switches, and rewarding technology. A 12-inch productivity display and a 12-inch touchscreen dominate the dashboard, helping you manage Apple CarPlay®, Android Auto®, Bluetooth®, voice recognition, available WiFi hotspot capability, navigation compatibility, and amazing audio. You can stay safe as you get busy thanks to hands-free BlueCruise compatibility, automatic braking, blind-spot monitoring, a head-up display, adaptive cruise control, Pro Trailer Backup Assist, forward collision warning, a rearview camera, and other Ford driver-assistance systems. It's no wonder our F-150 Tremor is a top choice for truck professionals worldwide! Save this Page and Call for Availability. We Know You Will Enjoy Your Test Drive Towards Ownership!
