2024 Chevrolet Equinox EV

\*GM CERTIFIED PRE-OWNED RATES @ 4.99% O.A.C

The 2024 Chevrolet Equinox EV RS in sleek gray with just over 2,000 kilometers represents a perfect blend of bold design, modern technology, and electrified performance. With the RS trim, you get an athletic stance accented by black exterior details, a unique RS grille, and sporty 21-inch alloy wheels that immediately set it apart. The sculpted lines and aerodynamic profile not only add style but also contribute to efficiency, making it a head-turner while maximizing range.

Inside, the RS offers a driver-focused cabin with a premium, modern feel. You'll find comfortable heated front seats wrapped in quality materials, a flat-bottom steering wheel with RS badging, and red accent stitching that underscores its sporty personality. A massive 17.7-inch infotainment screen dominates the dash, giving you seamless access to navigation, media, and vehicle functions. With wireless Apple CarPlay and Android Auto, plus advanced connectivity features, the Equinox EV ensures every drive stays connected and effortless.

Performance-wise, the Equinox EV RS delivers instant torque thanks to its electric powertrain, offering smooth yet exhilarating acceleration that makes city driving and highway merging a breeze. Its near-silent ride enhances comfort, while regenerative braking adds efficiency and extends range. With GM's Ultium platform underpinning the Equinox EV, you get not only advanced performance but also the latest in battery technology, contributing to strong range, reliability, and quick charging capabilities when using DC fast charging stations.

Safety is at the forefront with Chevrolet's standard suite of driver-assistance technologies, including Automatic Emergency Braking, Lane Keep Assist, Forward Collision Alert, and more. The Equinox EV RS also supports advanced driver convenience features such as Super Cruise availability, giving you hands-free driving on compatible highways.

With just over 2 000 kilometers, this Equinox EV RS is practically brand new, offering the appeal of a fresh, next-generation electric SUV without the wait. For drivers
