2024 Ford Edge

The **2024 Ford Edge SE AWD** is a stylish and capable SUV that blends confident performance, modern technology, and everyday practicality—making it the perfect fit for both city driving and highway adventures.

Powered by a responsive 2.0L EcoBoost® turbocharged engine producing 250 horsepower and paired with an 8-speed automatic transmission, this Edge delivers smooth acceleration and impressive efficiency. The intelligent all-wheel drive system provides added traction and confidence in all road conditions, especially in changing Canadian weather.

With just **35,991 km**, this well-maintained SUV offers excellent value while still feeling fresh and ready for the road ahead.

Inside, the Edge SE features a spacious and comfortable cabin with seating for five, a user-friendly infotainment system with Apple CarPlay® and Android Auto™, and a large touchscreen display to keep you connected on every drive. Thoughtful touches like push-button start, keyless entry, and advanced climate control add convenience to your daily routine.

Safety is a priority with Ford Co-Pilot360™, offering features such as Blind Spot Monitoring, Lane Keeping Assist, Pre-Collision Assist with Automatic Emergency Braking, and a rearview camera—giving you added confidence behind the wheel.

On the outside, the bold design is complemented by sleek body lines, a distinctive front grille, and modern lighting, giving the Edge a strong presence wherever it goes.

If you're looking for a **low-kilometre, all-wheel drive SUV that delivers comfort, capability, and value**, this 2024 Ford Edge SE AWD is ready to impress.
