2024 Acura MDX

Bold styling meets premium performance in the 2024 Acura MDX A-Spec. This luxury three row SUV blends athletic design, advanced technology, and refined comfort into one standout package.

From the outside, the A-Spec trim makes a strong impression with gloss black accents, dark exterior trim, larger sport wheels, and signature LED lighting. Its aggressive front fascia and wide stance give the MDX a sleek, performance inspired look.

Under the hood, a 3.5L V6 engine delivers 290 horsepower paired with a smooth 10 speed automatic transmission. Acceleration feels strong and refined, while Super Handling All Wheel Drive adds extra confidence with enhanced traction and sharp cornering response. The ride remains composed and comfortable whether you are in the city or on the highway.

Inside, the A-Spec cabin is sporty and upscale. Leather and Ultrasuede trimmed sport seats, red contrast stitching, heated and ventilated front seats, and a flat bottom steering wheel create a driver focused atmosphere. The spacious three row layout offers excellent passenger comfort, and the power folding third row makes cargo changes quick and easy.

Technology is fully loaded. A large center display includes navigation, Apple CarPlay, and Android Auto for seamless connectivity. A premium ELS Studio 3D audio system delivers rich, immersive sound throughout the cabin, while the digital driver display keeps key vehicle information clear and customizable.

Safety comes standard with AcuraWatch. Adaptive Cruise Control, Collision Mitigation Braking, Lane Keeping Assist, Blind Spot Monitoring, and a surround view camera system all work together to enhance driver awareness and confidence.

Smart, refined, and packed with premium features, the 2024 Acura MDX A-Spec delivers luxury SUV versatility with unmistakable style and performance. Book
