2024 Chevrolet Silverado 3500HD

Experience unmatched power and capability with the 2024 Chevrolet Silverado 3500HD LTZ Crew Cab, designed for demanding Canadian drivers who require rugged performance and advanced technology.

Built to tackle the toughest jobs, this diesel-powered 8-cylinder beast boasts a turbocharged engine paired with a 10-speed automatic transmission and a 4x4 drivetrain, delivering exceptional torque and towing capacity. Whether hauling heavy equipment or navigating challenging terrain, the Silverado 3500HD ensures confidence and control with features like a locking limited-slip differential, tow hooks, and a robust tow hitch. Inside, comfort meets innovation with heated leather seats offering adjustable lumbar support and memory settings for both driver and passenger, making long hauls more comfortable. The multi-zone climate control and heated steering wheel add to the refined cabin experience. Safety is paramount with advanced systems including front collision mitigation, lane departure warning, automatic high beams, and a comprehensive airbag suite, providing peace of mind on every trip. The integrated navigation system, Bluetooth connectivity, and WiFi hotspot keep you connected and on course, while the back-up camera and power folding mirrors enhance visibility and manoeuvrability in tight spaces. Finished in striking Iridescent Pearl Tricoat, this Silverado 3500HD LTZ combines rugged durability with premium style, perfect for professionals who demand excellence in every drive.
