2025 GMC HUMMER EV Pickup

*GM CERTIFIED PRE-OWNED RATES @ 3.99% O.A.C

Step into the future of driving with this extraordinary 2025 GMC Hummer EV SUV 3X e4WD. With only 2, 885 kms, this pre-owned, GM Certified vehicle delivers cutting-edge electric performance, bold design, and premium comfort in one revolutionary package. Built to turn heads and tackle terrain with ease, this Hummer EV combines supertruck capability with advanced technology for a truly unique driving experience.

Powered by an incredible 3-motor electric powertrain producing up to 830 horsepower and a staggering 11,500 lb-ft of torque, this SUV offers exhilarating acceleration and unmatched off-road capability. Features like CrabWalk, Extract Mode, and adaptive air ride suspension allow you to conquer challenging environments with confidence, while fast-charging capability keeps you ready for the road ahead. Inside, the cabin is just as impressive, featuring premium leather-alternative seating with heated and ventilated front seats, memory settings, and tri-zone climate control for ultimate comfort. The Infinity Roof creates an open-air driving experience, while the advanced 13.4-inch touchscreen and 12.3-inch digital driver display keep you fully connected. With wireless Apple CarPlay and Android Auto, along with up to 17 available camera views, this Hummer EV delivers both convenience and confidence.

Safety and innovation go hand in hand with hands-free driver-assistance technology and a suite of advanced systems designed to enhance awareness and control in all driving conditions.

This quality inspected vehicle has undergone a rigorous inspection and reconditioning process as part of the GM Certified Pre-Owned program, ensuring exceptional quality, reliability, and peace of mind.

Don't miss your chance to own this groundbreaking used 2025 GMC Hummer EV SUV 3X. Contact us today to schedule your test drive and experience the next generation of electric performance.
