2024 Chevrolet Silverado 2500HD

Power and Precision Combined: The 2024 Chevrolet Silverado 2500HD LTZ Crew Cab 4WD in Dark Ash Metallic Delivers Unmatched Diesel Performance and Advanced Safety

For drivers who demand a truck that works as hard as they do, the 2024 Chevrolet Silverado 2500HD LTZ Crew Cab offers a commanding presence and exceptional capability. Powered by a Duramax 6.6L Turbo-Diesel V8 engine producing 470 horsepower and a staggering 975 lb-ft of torque, this diesel powerhouse is built to tow heavy loads with confidence and ease. The 10-speed automatic transmission and four-wheel-drive system, complete with a locking limited-slip differential, ensure optimal traction and control across all terrains.

Inside, the LTZ trim pampers with leather seats featuring driver and passenger power adjustments, lumbar support, and memory settings, making long hauls more comfortable. The heated steering wheel and heated mirrors provide added convenience in Canada's colder months. Safety is paramount with advanced features like front collision mitigation, lane departure warning, and automatic high beams, giving peace of mind on every journey.

Technologically savvy drivers will appreciate the integrated navigation system, WiFi hotspot, Bluetooth connectivity, and a back-up camera, enhancing both productivity and entertainment. With rugged tow hooks, a tow hitch, and a conventional spare tire, this Silverado 2500HD is ready to tackle demanding jobs while maintaining refined comfort and cutting-edge technology.
