2021 Tesla Model S

The 2021 Tesla Model S Long Range in a sophisticated gray finish is an impressive AWD sedan designed to handle Canadian roads with ease. Its elegant design is complemented by the distinctive Palladium elements and full body PPF, ensuring durability and style.

Inside, the tan interior offers a luxurious escape with features like air conditioning and power seats for your comfort. The sleek body style is fitted with stylish alloy wheels that catch the eye, while the convenient sunroof/moonroof adds an extra touch of elegance.

This Tesla Model S comes packed with cutting-edge technology and safety features. Enjoy a seamless journey with smart device integration, navigation system, and a DVD /entertainment system to keep all passengers entertained. Safety is a priority with options like lane assist, a backup camera, and parking sensors. Driver assistance features like adaptive cruise control ensure a secure and stress-free drive.

For those who enjoy both luxury and performance, the Tesla Model S Long Range is the ideal choice. Experience this remarkable vehicle for yourself and reach out to our dealership today for more information and to schedule a test drive.
