2026 Ford F-150

Finished in Agate Black Metallic, our 2026 Ford F-150 STX SuperCrew 4X4 combines rugged performance with a clean, modern design that's ready for work or play. Powered by a Twin-TurboCharged 2.7 Litre EcoBoost V6 delivering 325hp to a 10 Speed SelectShift Automatic transmission with dynamic drive modes. This Four Wheel Drive truck is also well-prepared for pulling and easy to maneuver, and it returns approximately 9.4L/100km with calm composure on the highway. Our Ford F-150 is fierce and functional, with LED lighting, fender vents, 18-inch black alloy wheels, heated mirrors, and a roomy cargo bed. Our STX cabin is your base camp for bold moves, too! It boasts comfortable sport cloth seats, a tilt/telescoping steering wheel, air conditioning, cruise control, and rewarding technologies to help you connect on the move. Highlights include a large touchscreen with Apple CarPlay®, Android Auto®, Bluetooth®, voice control, WiFi compatibility, and an AM/FM audio system. All that pairs with advanced Ford safety features for your peace of mind, including automatic braking, forward collision warning, blind-spot monitoring, a rearview camera, lane-keeping assistance, rear cross-traffic alert, hill start assist, trailer sway control, and more. It's no wonder our F-150 STX is a top choice for truck professionals worldwide! Save this Page and Call for Availability. We Know You Will Enjoy Your Test Drive Towards Ownership!
