2021 Tesla Model Y

Experience the innovation and performance of the 2021 Tesla Model Y Long Range, an all-electric SUV designed for those who appreciate advanced technology and eco-friendly driving. Featuring a stunning white exterior and sleek alloy rims, this Model Y is both stylish and functional. The spacious black leather interior includes power seats and heated seats, ensuring comfort for all passengers. Enjoy modern conveniences like a glass roof for an open feel, dual wireless chargers, and an advanced navigation system. Features such as parking sensors, a backup camera, and hands-free calling enhance your driving experience and safety. With the option for full self-driving capabilities available via a monthly subscription, this Model Y is a perfect choice for the tech-savvy driver.

Key Features:

- All-electric with impressive long-range capabilities
- Low kilometers (please specify if you want to include them)
- Striking white exterior with alloy rims
- Spacious black leather interior with power seats and heated seats
- Glass roof for an expansive and airy atmosphere
- Passive entry, push button start, and WeatherTech floor mats for convenience
- Advanced navigation system with a backup camera and parking sensors
