2025 Mazda CX-5

The 2025 Mazda CX-5 GS AWD delivers style and driving enjoyment in a compact SUV package. Its sculpted exterior and refined design give it an upscale presence that stands out in a crowded segment.

Inside, the CX-5 offers a driver-focused cabin with high-quality materials and a comfortable layout. Heated seats, intuitive controls, and a clean dashboard design create a premium feel without the premium price tag.

On the road, Mazda's signature handling shines through. It feels responsive and composed, while AWD provides added traction for rain, snow, and unpredictable Canadian conditions.

If you want an SUV that feels sporty, refined, and confident year-round, the CX-5 is an excellent choice.
