2024 Honda Passport

Rugged capability meets everyday comfort in the 2024 Honda Passport TrailSport. Built for drivers who want real off road confidence without giving up refinement, this midsize SUV delivers bold styling, intelligent all wheel drive, and the space to bring everything along for the journey.

The TrailSport stands out with its aggressive front design, unique wheels, all terrain tires, and increased ground clearance. Orange TrailSport accents and rugged detailing signal that this Passport is ready for dirt, gravel, snow, and whatever the road turns into.

Under the hood, a proven 3.5L V6 engine produces 280 horsepower and 262 lb ft of torque, paired with a smooth 9 speed automatic transmission. Honda's iVTM4 all wheel drive system enhances traction and stability by actively distributing power where it is needed most. With up to 5,000 pounds of towing capacity when properly equipped, the Passport TrailSport is ready for trailers, boats, or weekend toys.

Inside, the cabin remains refined and spacious. Leather trimmed seating with contrast stitching, heated front seats, and a power adjustable driver's seat create a comfortable driving environment. The two row layout offers generous legroom for passengers, while the wide cargo area provides ample space for gear. Underfloor storage adds extra practicality for tools or adventure essentials.

Technology is modern and intuitive. The touchscreen infotainment system supports Apple CarPlay and Android Auto, keeping navigation and communication within easy reach. A premium audio system delivers clear, immersive sound, and multiple USB ports keep devices charged on the go.

Safety comes standard with Honda Sensing. Adaptive Cruise Control, Lane Keeping Assist, Collision Mitigation Braking, Blind Spot Monitoring, and a multi angle rear view camera work together to enhance awareness and confidence on every drive.

Capable, comfortable, and built for exploration, the 2024 Honda Passport TrailSport delivers off road strength with everyday versatility. Book your test drive with
