2022 Mitsubishi Outlander

NEW TO CANADA? WE HAVE AN APPROVAL WAITING FOR YOU!

Fresh design. Smart value. Real space. The 2022 Mitsubishi Outlander ES delivers modern styling and everyday practicality in a versatile SUV package.

Completely redesigned for 2022, the Outlander stands out with its bold front fascia, sharp LED lighting, and strong body lines. It has a confident, upscale look that feels a class above.

Inside, the ES trim offers a clean and functional cabin with seating for up to seven passengers. The three row layout gives you flexibility for family life, while the rear seats fold flat to create generous cargo space when needed. Quality materials, comfortable cloth seating, and a well organized dashboard make daily driving simple and comfortable.

Under the hood, a 2.5L 4 cylinder engine produces 181 horsepower paired with a smooth CVT transmission. The ride is quiet and composed, with responsive steering and a suspension tuned for comfort. Available all wheel drive enhances traction and stability in rain, snow, and changing road conditions.

Technology is easy to use and right where you need it. The touchscreen infotainment system includes Apple CarPlay and Android Auto for seamless smartphone integration. A digital driver display provides clear vehicle information, and multiple USB ports keep passengers connected.

Safety is a strong point. Forward Collision Mitigation, Lane Departure Warning, Blind Spot Monitoring, Rear Cross Traffic Alert, and a rear view camera all come standard to support confidence behind the wheel.

Call today to see the 2022 Mitsubishi Outlander ES for yourself. Visit www.gphonda.ca or call 780-532-8011.
