2021 Hyundai Kona Electric

CERTIFIED PREOWNED HYUNDAI WITH RATES AS LOW AS 4.74%

EXTRA 1 YEAR POWERTRAIN WARRANTY

30 DAY EXCHANGE PRIVILEGE OR 2000KMS

This 2021 Hyundai Kona Electric Ultimate FWD is an outstanding example of how electric driving can be both practical and genuinely enjoyable, offering impressive range, premium features, and everyday usability in a compact SUV package. Its modern exterior styling is clean and aerodynamic, with distinctive design elements that set it apart from traditional gas-powered vehicles while still feeling approachable and stylish. The Kona Electric's compact size makes it easy to maneuver in the city, yet its confident stance and refined design give it a substantial presence on the road.

Inside, the Ultimate trim delivers a truly upscale experience. The cabin is quiet, comfortable, and thoughtfully designed, taking full advantage of the electric powertrain to create a smooth and relaxing drive. High-quality materials, supportive seating, and a well-laid-out interior make it easy to settle in and enjoy every trip. Advanced technology is front and centre, with a large, intuitive infotainment system, navigation, premium audio, and seamless smartphone connectivity keeping you informed and entertained. Digital displays and smart convenience features enhance the overall experience, making the Kona Electric feel modern and well ahead of its time.

Performance is one of the Kona Electric's biggest strengths. Instant electric torque provides quick, effortless acceleration that feels responsive and confident in both city traffic and highway driving. At the same time, its impressive electric range and excellent efficiency mean fewer charging stops and significantly lower running costs compared to gas-powered competitors. With no need for fuel, oil changes, or many traditional maintenance items, ownership is refreshingly simple and cost-effective. Front-wheel drive keeps the vehicle efficient and well-balanced, especially for drivers focused on urban and suburban driving.

Safety and reliability are key highlights, and this Kona Electric Ultimate is equipped with advanced driver assist technologies designed to help protect you and your
