## 2018 Chevrolet Sonic

### WE DELIVER ANYWHERE IN CANADA!

Compact size. Big value. The 2018 Chevrolet Sonic LT delivers practical performance with a fun to drive attitude.

On the outside, the Sonic features sporty styling with a bold front grille, clean body lines, and a confident stance. Its compact footprint makes it easy to maneuver through city traffic and simple to park in tight spaces.

Under the hood, the efficient 1.8L 4 cylinder engine provides smooth, reliable performance paired with an automatic transmission. Acceleration is responsive for daily driving, while fuel efficiency helps keep running costs low. The suspension is tuned for comfort, giving you a composed ride on city streets and highways alike.

Inside, the Sonic LT offers a surprisingly spacious cabin for a compact car. Premium cloth seating, a well laid out dashboard, and intuitive controls create a comfortable and user friendly driving environment. Rear passengers enjoy good legroom, and the trunk provides practical storage space for groceries, luggage, or everyday essentials.

Technology adds convenience to every trip. The Chevrolet MyLink touchscreen system supports Apple CarPlay and Android Auto, keeping navigation, music, and hands free communication within easy reach. Bluetooth connectivity and steering wheel mounted controls make it easy to stay connected while focusing on the road.

Safety features include a rear view camera, stability control, traction control, anti lock brakes, and multiple airbags to help support confidence behind the wheel.
