History

This F-150 was traded in by a loyal Dearborn Ford customer who just moved up to a brand new 2026 F-150, so we know exactly where this truck has been. One owner, purchased and driven right here in BC, with 133,980 km of normal use. The XLT 302A is a well-equipped build, and this one comes with the XLT Sport Package on a Carbonized Gray exterior, giving it a sharper, more aggressive stance than a standard XLT. The full Carfax report is available right on this listing and we are happy to walk you through it together.
