2022 Volkswagen Tiguan

The 2022 Volkswagen Tiguan Trendline 4MOTION in sleek grey offers a compelling mix of sophisticated design, everyday practicality, and confident performance—making it a smart choice for drivers who demand more from their SUV. With just under 27,000 kilometers on the odometer, this low-mileage Tiguan is barely broken in and ready to provide years of comfortable, reliable driving. Whether you’re commuting during the week or packing up for a weekend road trip, this Tiguan adapts effortlessly to your lifestyle with the versatility, comfort, and safety that Volkswagen is known for.

Under the hood, the 2022 Tiguan Trendline is powered by Volkswagen’s proven 2.0L TSI turbocharged engine, producing 184 horsepower and 221 lb-ft of torque. This powerplant delivers smooth, confident acceleration and ample torque for merging, climbing, or passing on the highway—all while maintaining excellent fuel efficiency. Paired with an 8-speed automatic transmission, gear changes are quick and seamless, making every drive feel refined and responsive. The 4MOTION all-wheel drive system comes standard on this model, offering superior grip and control in all weather conditions. Rain, snow, gravel, or dry pavement—the Tiguan adapts in real-time to ensure stable, confident handling wherever the road takes you.

Aesthetically, the grey exterior finish offers a sophisticated, understated look that blends beautifully with the Tiguan’s bold, sculpted body lines. The clean design is both timeless and contemporary, projecting quiet confidence while maintaining the refined practicality the Volkswagen brand is known for. The Tiguan’s wide stance and strong character lines give it a poised and athletic appearance from every angle.

Step inside, and you’re welcomed by a clean, ergonomic cabin designed for comfort and convenience. High-quality materials, intuitive controls, and a thoughtfully laid-out dashboard create a driving environment that’s both functional and inviting. Seating for five comes standard, with plenty of headroom and legroom in both rows. Durable cloth upholstery is both comfortable and easy to maintain, while heated front seats provide added warmth during chilly mornings. The driver enjoys a multi-function steering wheel, adjustable seating, and a driver-focused layout that places all controls within easy reach.

Where the Tiguan truly shines is in its versatile interior and smart storage solutions. The 40/20/40 split-folding rear seats allow you to configure the space to suit your
