The 2019 Chevy Equinox LT AWD with the 1.5-liter turbo engine is a small SUV that’s easy to drive and good for everyday use. The engine gives enough power for normal driving, and the all-wheel drive helps with handling in rain or light snow. Inside, it has a touchscreen with Apple CarPlay and Android Auto, so you can connect your phone easily. The seats are comfortable, and it rides smoothly, though the back cargo area isn’t huge. The materials inside feel basic, but it’s still a solid and practical SUV for small families or commuting.
