## 2023 GMC Yukon XL

Listed price does not include taxes, licensing fees or accessories. Price is plus \$699 administration fee and financing fee where applicable. VSA License Number 5917

### History

This Yukon XL SLT came to us as a fresh trade from out-of-town customers who have moved into a 2026 Ford F-150. The Yukon XL is one of the few full-size SUVs available with a diesel engine, and this one delivers that combination of 3.0L Duramax efficiency, 4x4 capability, and three rows of seating that is genuinely hard to find in a single vehicle. SLT trim means you are not giving anything up on the comfort side either. Whether you are hauling the whole family on a road trip or towing on weekends, this one handles it without asking you to compromise. The full Carfax report is available right on this listing and we are happy to walk you through it together.

### Condition

- Fully inspected with our 150-point process for peace of mind.
- Inspection performed by a Ford Master Technician.
- We check tires, brakes, seals, fluids, electrical systems, road test and more.

### Why Buy from Dearborn Ford?

Dearborn has been in business for 102 years and is a proud member of the Cam Clark Auto Group. We pride ourselves on transparent information and keeping you fully informed throughout the purchase process.

- We will get you all the information you're looking for.
- We want to make sure the vehicle you select is absolutely perfect.
