History

This Grey 2024 Ford Ranger Raptor 4x4 SuperCrew came to us as a buy-in from an existing Dearborn Ford customer who is relocating out of the country. With just 20,507 km, the twin-turbocharged 3.0L V6 producing 405 horsepower, Fox Live Valve shocks, and Terrain Management System are barely broken in. This Raptor has been thoughtfully upgraded with upgraded upper control arms, a Ford Performance tuner, spray-in box liner, tonneau cover, and mud flaps — making it a more capable truck than it left the factory. The full Carfax report is available right on this listing and we are happy to walk you through it together.

Condition

- Fully inspected with our 150-point process for peace of mind.
- Inspection performed by a Ford Master Technician.
- We check tires, brakes, seals, fluids, electrical systems, road test and more.
