2024 GMC Terrain

Refined styling, confident all wheel drive, and everyday comfort come together in the 2024 GMC Terrain SLT AWD. This compact SUV delivers a premium feel in a practical size, making it ideal for commuting, family errands, and weekend travel.

On the outside, the Terrain SLT stands out with its signature GMC grille, sleek LED lighting, chrome accents, and sculpted body lines. It carries a confident, upscale presence while remaining easy to maneuver in tight urban spaces.

Inside, the SLT trim adds a higher level of comfort and refinement. Leather appointed seating, heated front seats, and a power adjustable driver's seat create a welcoming environment for every drive. The cabin is quiet and thoughtfully laid out, with intuitive controls and generous space for both front and rear passengers. The flexible cargo area makes it easy to load groceries, luggage, or gear, and the rear seats fold flat for expanded storage.

Under the hood, the efficient turbocharged engine delivers responsive acceleration and smooth performance. The advanced all wheel drive system enhances traction and stability in rain, snow, and changing road conditions, giving you added confidence year round. The suspension is tuned to provide a comfortable, composed ride on both city streets and highways.

Technology keeps you connected and in control. The touchscreen infotainment system supports Apple CarPlay and Android Auto, while a digital driver information center provides key vehicle data at a glance. Remote start, dual zone climate control, and multiple USB ports add convenience for daily use.

Safety is a priority with GMC Pro Safety features that include Forward Collision Alert, Automatic Emergency Braking, Lane Keep Assist, Blind Zone Alert, Rear Cross Traffic Alert, and a rear vision camera.

Stylish, comfortable, and equipped for all seasons, the 2024 GMC Terrain SLT AWD delivers a refined compact SUV experience with added confidence. Book your
